**Challenge for Life theme Up and About**

September 25<sup>th</sup> 2009

Dear Parents and Carers,

### **Best Class for Attendance**

Badger class were the best at coming to school for the week. Only one child was away for religious reasons and another was sick for a day. Well done to them. They will have an extra playtime next week. I also wanted to say well done to everyone in Badger, Otter and Fox classes because every single child was in school today. Fantastic News!!!! Remember coming to school every day makes a difference.

### **Golden Book**

We will be doing this next week.

### **Marley**

Marley will be taken home by Taylor Fisher this week because she was absolutely amazing in music and dance club. She was my partner and although she is only in Reception, she followed all the instructions really well.

### **Reading Session/Big MacMillan Coffee Morning**

Thanks you to all the parents who came to the coffee morning and went into class to read with their children. There was a really good turn out. I will be holding a session for parents on Thursday October 8th where you can come and learn all about how we teach phonics and sounds. I will be showing a DVD about this, then you can go and see a phonic session in class with your child. Thanks to Kyla Davison for manning the tea stall and the books!

### **Clubs**

Thanks to all the parents who have paid for their children's clubs so far. Sessions cost £1 a session and there are 10 sessions until Christmas. Payment for these clubs is not voluntary. Funds raised go to the PTA to help to raise money for the new slide/climbing apparatus that the children want. I am really grateful to the teachers who give up their time that they usually use for preparation to make clubs so successful.

### **Lost Property**

There is still a huge tub of lost property in the main entrance of the school. Please check to see if any of your child's clothes are in there. Any clothing that is left will be sold or taken to the charity shop.

### **Challenge for Life**

This is a special project that the government are running to help children to be healthier. Each half term there will be a special theme that we will be doing work with the children in school about. I will also put ideas each week in the newsletter that you can try out with your child.

**Dance at the end of the films** Joshua thought it was a good idea to dance at the end of films and there is always music then I have spoken to the children about this so beware – they might try and get you dancing too!

**Sponsored walk**

I hope that all the children are busy collecting sponsorship for the sponsored run on Friday October 9th. This is also to help raise money for the PTA and the slide.

**Dates for your diary**

Thursday October 15<sup>th</sup> Harvest Festival 9:15

Thursday October 15<sup>th</sup> Quiz Night

Tuesday October 20<sup>th</sup> Parent Consultations Mole and Rabbit Class (12-5)
