Personal and Social theme: Getting on and falling out

Challenge4Life theme: Eating 5 a day

November 6th 2009

Sorry this is coming to you on Monday, but I was out of school for most of Friday on a course. I really hate missing a newsletter because there is so much going on and I do not want you to miss anything!

Attendance

The best class at coming to school was Mole Class . Well done to them! Thanks to all the parents for their support in making sure the children come to school!

Marley

Marley will be taken home by Paris because she was so kind and really tried to include them at the Halloween.

Golden Book

Well done to these children who have been mentioned in the Golden Book this week; Leo, Taylor, Sophie, Amaan, all of Rabbit class for making fantastic fireworks, Kya and Lemar Campbell, Keeley, Laila, Melanie, Megan, Leandro, Paris, Dzozelina, Will and Mrs. Tackeray for being kind and special! (yes this was written in the Golden Book!).

Winners!

The winner of the Halloween colouring competition was Swettha, Leandro came second and Tariq came third. Well done to everyone who took part! Everyone tried so hard!

Night Owls

The children had their photos taken with an Owl today. These shots were taken by the Night Owl company. These photos will be coming out to you and you can buy copies of them if you want. You will need to send back your request with the money. More details will be sent about this later.

Reminders

Wednesday	Remembrance Day Trip to War memorial Parents are welcome to join us at the memorial for the service at 11:00 Memorial is outside the Disraeli Pub First session for Tag Rugby – Please give slips to Miss Lawson or Mrs Godwin
Children in Need Day	Friday 20 th November Children can come in their own clothes and spots and stripes for the day just like Pusdey! (donations gratefully received).

WOW!!!

We have now managed to raise nearly £900 pounds from the sponsored walk. I cannot tell you how proud I am of this. Thank you so much for all your support. The school council and I will look at slides next week and make a decision about the one that we are going to buy.

P.E. kit

There have been lots of children coming to school without their P.E. kit recently. This means that the children may have to miss their session and as P.E. is part of the statutory curriculum, this is unacceptable and a member of staff has to supervise them. We do as much as we can to make sure that your child has a good learning experience but we need your help too to remind the children to bring their kit. We do have some in stock if you need help purchasing kit but most children have kit, it is just at home. I will be writing to parents of children who have left their P.E. kit at home twice to remind them.

Duckling Class

Duckling Class are going over to the park to look at shapes tomorrow. They will be fully supervised at all times.

Halloween Disco 4th November

This was a great success and all the children thoroughly enjoyed the party. They looked fabulous in their costumes and really got into the spirit of the event. Thank you to the PTA for organising it and to the staff for helping the children to have such a good time!

Wycombe Wanderers Penalty Shoot Out

Children from the football club went to Wycombe Wanderers to take part in the penalty shoot out at half time on Saturday. We were really excited about this and it was great actually going out on the pitch. I would like to thank Mr Lawson (Miss Lawson's father) who sponsored the event through his business and the PTA for making a donation so that the children did not have to pay £10 to take part. I would also like to thank Miss Lawson for her stirring work in organising the event at short notice. We only heard about the event during half term when the F.A. cup draw was made but it was too good an opportunity to miss!

English as a Second Language Family Learning

This started last week and was really successful. There will be two more sessions before Christmas and

Colouring competition

Last year, some of the children said that they did not enjoy school because they felt tired even at the start of the day. It is essential that the children get plenty of sleep so they can learn well. The school council thought it would be a good idea to have a free colouring competition about going to bed early. This is coming out today. Entries have to be in by next Friday.

Challenge4Life

This half term, the theme is Eating 5 a day of different fruits and vegetables. Why not make a smoothie with some strawberries, bananas and mangos for you all? I bet the children would love it!

Phonics Evening Session

I am going to be holding another phonics session in the evening as some parents have mentioned that they would find this easier. The session will be on Tuesday 17th November at 5:00. We will run through the sounds and I will show you some phonic games and ideas to help your child to learn their sounds.

Have a good week!

Mrs. Morrisson
