SEAL: Going for Goals “ I can do it!” “Keep Going!”

This week is friendship week. This week is friendship week. This week is friendship week.

Dear All,
I have big news for you! We are having our OFSTED inspection on Monday and Tuesday next week. They come and see how well we have progressed since the last inspection back in January 2007. I can't believe that three years have gone by since then and that I have been here three years. Time has really flown. Marsh is a wonderful school with great teachers, parents and children and I want them to recognise how amazing you all are. I am sure that you join with me to say good luck to everyone and to thank everyone for all their hard work. You will be getting a questionnaire so you can say what you think about the school today. Please return it to the office in a sealed envelope. I have questionnaire in other languages if you need them.

Everything will go ahead as usual as we had a busy, exciting week planned anyway and I do not want the children to miss out. Please still come and talk to me if you need to you as I will always have time for you if it is important even if the inspectors are here!

Uniform

There are quite a few children who are wearing white shoes. Children should be wearing black or brown sensible shoes. Shoes are not very expensive from Asdas so please try and get some for your child so they look the same as everyone else.

Golden Book

Well done to these children who have been mentioned in the Golden Book; all of Mole class, Leah Honeybourne, Frazer, Josh D, Taylor, Omm, Ocean, Leia, Laura, Matthew and Annabel.

Attendance

The best class at coming to school this week was Miss Muschamp's class. No-one has been away at all – amazing!!!

Marley

Marley is being taken home by Laura because she is so hardworking, tries her best and is making fantastic progress – and on her birthday too! What a great day for Laura!
