MAKES A DIFFERENCE!**

MARSH NEWS 19

“Children thrive and do well.” OFSTED January 2010

For more information see www.marshschool.com February 12th 2010

SEAL: Going for Goals “ I can do it!” “Keep Going!”

Dear All,
Here we are the end of the half term and hasn't it flown by! It has been a really busy term with lots of snow and also our successful, exciting OFSTED inspection. The report is out now although it is not on the internet yet. We have been graded as a good school with a couple of outstanding features and we are all really proud. One of the best quotes from the report is that the inspectors found that the children at Marsh School “thrive and do well”. The report will be emailed to all parents who have given us their email addresses as the reports are 14 pages long. Copies will be on the school website and paper copies are available from the school.

Here is the diary for the first week back after half term;

Monday	Wycombe Wanderers football club 4:15 finish
Tuesday	Cookery Club (just for the new children) 4:15 finish Knitting Club (lunch time)
Wednesday	Music and Dance club 4:00 finish
Thursday	French club 3:00 – 4:00
Friday	Recorder Club (lunchtime) Karate Club 4:15 finish

Cake Sale

Thank you to all the parents and children who came to the cake sale. I am not sure how much we raised as yet but I know that all the cakes sold. Thanks for your support.

Donations for Mufti Day

Thank you to everyone who made a donation for their children wearing party clothes today. We raised £50 which will go towards paying for a theatre company coming to put on a show about Maths later in the year.

Road Safety

I have been really impressed with the way that the children have been walking to school this week. There has been a huge improvement and nearly all the children were walking sensibly with their mums and dads today. I will be keeping an eye on this regularly as holding hands is the most important thing we can do to keep the children safe and that is what matters.

Travelling to school surveys

Thank you to all the parents and carers who sent back their travel surveys. They are really helpful as we can plan for the future according to your opinions and views. We are in the middle of writing a travel plan to get some money to help us make your journey to school safer and healthier. I will let you know more about this regularly.

Attendance

The best class at coming to school this week was Badger class. Well done to them! Well done to all the children in Fox class for the whole class being in yesterday.

Marley

Marley is being taken home by Tariq for working because he has tried so hard in his reading and made really good progress. Well done Tariq!

Dates for the diary

Half term 15th-19th February

World Book Day – Thursday March 4th 2010 Theme books around the world – come dressed in your countries colours or costume (e.g. red, white and blue for England). We will also be taking part in the “read to a million children” event where famous writers read to children online all over the country.

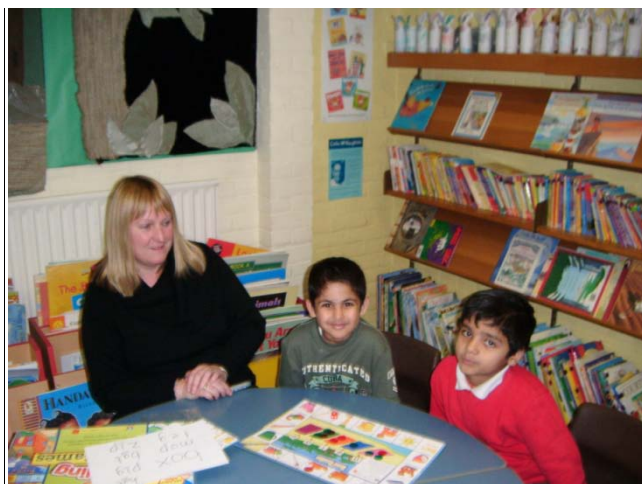

Have a great weekend!

Mrs. Morrisson

Here are some pictures of some of the work that Badger Class has been doing this week.

Laurance really enjoyed playing this Maths game!

Omm and Arsalan loved playing this sound game.
