SEAL: “It’s good to be me!”

Dear All,
I feel that I have been out on courses so much this week and haven’t seen the children as much as I would have liked. I want to thank Miss Muschamp for being in charge when I’m not around and organising so much – this is a lot of work especially as she has to teach a class too.

Here is the diary for next week.

Monday	Gym club (only selected children)
Tuesday	Cookery Club (4:15 finish) Knitting Club (lunch time)
Wednesday	Music and Dance club 4:00 finish (All children who are taking part in Energise must come to the club so we can practise. Year Two sports festival trip –
Thursday	French club is cancelled because I am not in school Rabbit and Mole trip to Pets World
Friday	Recorder Club (lunchtime) Karate Club 4:15 finish

World Book Day “Stories from around the World”

I was really impressed with how many children dressed up in the costumes of colour of their countries for World Book Day. It was like a rainbow looking at the children. The children took part in the “one million children” on line challenge where they listened to the authors of the World Book Day books read their stories live. We all spent half an hour reading including the adults (very peaceful!) and the children listened to and wrote about stories from around the world. Thank you to Miss Mushamp for organising this special day.

Well Done

Our gym club were given a huge compliment by Rosie Akehurst this week who is in charge of sports in school in this area. She thought the children were really well behaved and listened amazingly. She is helping them learn a special routine and they were really responsive. Well done to them!

Theatre Visit

Please can you make sure that you make your contribution for the theatre visit on March 22nd. The show will be all about Maths and counting and will be part of our special Maths week and be all about cowboys and Indians. This is an exciting way of making Maths come alive for the children and to make it even more exciting for them. We need contributions of £2.

Morning Arrangements

Please can all parents of children in Year One and Two not come into the school in the morning. This is for health and safety reasons as it is getting really busy in the cloakrooms and also to help the children become more independent. Please come and speak to me if you have any concerns.

Attendance

The best class at coming to school this week was Mole class. Well done to them!

Golden Book

Well done to these children who have been mentioned in the golden book this week: Victor, Axelle, Brandon, Muazzma, Aisha, Jack, Libby, Isma, Kamil, Keeley, Muhsin, Omm, Nicole O, Lemar C, Annabel, Jack B and Tameem.

Marley

Marley is being taken home by Jack for trying so with his reading and also being so grown up and sensible now.

Have a great weekend!

Mrs. Morrisson
