World Cup Fever

The children all looked so fantastic today dressed in their country’s colours. I am sorry that some people did not seem to get the text although I did text everyone! Don’t forget even if you come from another country, you still live in England so you have a choice of what to wear! The children took part in special activities this afternoon about the World Cup so look out for the display that will be going up in the school. There is also a special football colouring competition for all the children, see attached. Please return your child’s colouring sheet by next Friday. The prize is a special World Cup colouring book.

Summer Trip

Thank you for the children in Badger, Fox and Otter classes who have already returned their contributions for trip to the seaside, the date has now changed to **Monday 19th July** as they are all doing a topic about the seaside and oceans. The trip will cost £10 and we need your contributions as it will be a long day and we will need two coaches. I want to give plenty of warning as it is quite a lot of money and we do not get given funds in our budget for trips. By law, everyone has to go on a trip even if they have not made a contribution. This can make it awkward for us and also makes it a bit unfair for parents who do make their contribution. If we do not collect enough money by Thursday 8th July then I will seriously have to cancel the trip. After this date, I will still have to pay the coach company. Obviously, if a family has

financial difficulties, I do not want the child to miss out but would appreciate it if they could come and talk with me. Please come to the office for a weekly payment card. I know this will help spread the cost. Please see the letter in your child's book bag.

Parents Forum

There will be a meeting on 17th June at 9.00am for interested parents who would like to take part in a discussion group about key issues that affect their child at school e.g. health and safety, helping parents understanding what goes on in school and developing the school further. For further information pop in and see Mrs Morrisson.

Selling Lollies

The Parent Teacher Association is selling ice lollies every Friday until the end of term outside the front of the school. We still need more people to be involved in the P.T.A. so please talk to me if you are interested or send the slip back which is on the P.T.A Newsletter.

Help!

We will need help on Tuesday to make tea and coffee for the parents who are coming to the special Fox class assembly at 1:45 on Tuesday. If you can help, please let me know.

Goodbye!

We are saying goodbye to Miss Meegan who has been working with Badger class for the last nine weeks. She has been a real superstar and the children have loved her. We wish her well for the future as she is going back to work in Ireland.
