# \*What We Do

- \* We are a **dedicated group** of people from **various backgrounds** who freely donate time and energy to be part of the Governing Body.
- \* We have the **responsibility** for **raising** school **standards** through three key roles of:
  - \* Setting **strategic direction**
  - \* Ensuring **accountability**
  - \* **Monitoring** & evaluating school performance.
- \* We work as a **team** with the **Head Teacher** to raise the standards of **achievement** for all pupils at the school.
- \* One of our most important jobs is to be a **critical friend** to the Head Teacher and Senior Leadership Team. (SLT)
- \* We all meet **three** times a year in formal meetings, once a term.
- \* There are also three sub committees that meet each term. These are the **Finance and Personnel, Safety and Well Being** and **Curriculum and Achievement** committees.
- \* There are also many other **formal/informal meetings** that take place throughout the year to ensure the smooth running and forward direction of the school.
